I continued to live in South Bend for a year and a half after we graduated then I enlisted in the Air Force on the buddy system with our classmate Fred Sjoquist, whom I haven't seen since we completed basic training in Feb. 1963 at Lackland AFB in Texas. I was stationed in Colorado, Florida, and Okinawa, where I occasionally ran into another classmate Rick Renz who was also assigned to Kadena AB.

After my four year military career was completed I moved to Orlando, FL where I attended Rollins College and received a Bachelor of Arts degree. I also started working for IBM Corp. and have been fortunate enough to remain in Orlando continuously (except for a couple of short temporary assignments in New York and North Carolina).

I married a pretty young lady from Xenia, OH a few days before I left the Air Force and we both worked in Orlando until we decided to start a family and Sandy "retired" to the leisurly life of a wife and mother in the summer of 1973 when our daughter Robin was born. Our son Jack joined us in Dec. 1976. My hobbies include flying (I hold a commercial pilot's license with instrument and multi-engine ratings), boating and fishing (we live on a lake in Orlando), and investing in and managing various types of investment real estate. I was a very active SCUBA diver but have not done much diving or flying recently as I seem to spend more time involved in the YMCA Indian Guides program and with my son in little league baseball.

I am looking forward to seeing old friends (since we're all getting a little bit "old") as we attended my wife's 20th in Xenia last year and I even enjoyed that one without knowing anyone there but my wife. This one should be a great deal more interesting to me, now Sandy won't know anyone.

Looking forward to seeing YA'LL in July!
