It's been a long time since John Adams High School, and much has happened to all of us. I sure wish that I could be there this June to see everyone, but time and distance are in my way. However, since high school, I have married, moved to beautiful Southern California, had two lovely girls, and continued my education at the local junior college.

I am the director of a large preschool and daycare center (220 children), and I love working with these little children. Every day is different and full of new challenges. I am also very active in my church, and sing as often as I can with a choral group here in Mission Viejo. That is the main reason I will not be in South Bend this summer...the group that I sing with will be touring in Europe, performing in Germany and Austria. I am very excited about going, but sad that I have to miss this special reunion.

Have a wonderful time, all!! I will surely be thinking of all of you on July 5th. My best to each of you.
