Now, tell us about yourself. We are interested in what you have been doing since our last reunion. Include information about education, jobs, places lived, special interests, family, etc. Please use one side only.

I will offer a brief overview of my life during the last 30 years. I attended barber college and subsequently earned my journeyman license. I served 8 years in the U.S. Air Force including one tour in Vietnam. I worked for 2 years on the National Ski Patrol in Alaska where I also competed as a downhill racer. I was involved with custom cars, motorcycles and traveled in the midwest show circuit. I built my own custom motorcycle and drove it until some idiot in Mishawaka ran over the top of it with me on it. I am actively involved in the sport of scuba diving and have tried sky diving once (once was enough). I am an assistant instructor at The Hammondsport Ju-Jitsu Club. I am also a practicing magician and member of the Society of American Magicians. I am currently employed by The Dept of Veterans Affairs at a V.A. Medical Center where I operate the dental Laboratory. I am a Certified Dental Technician. I married in 1972 to a lovely lady whose name is Margaret (Margee), we have two sons, Michael (16) and Marc (13).
